Welcome

Thank you for applying to the Northumbria Fashion Design MA and congratulations on your offer, we look forward to welcoming you on your selected programme and to supporting you in your learning journey over the next academic year.

Project Preparation

Our programmes offer a variety of specific specialisms in fashion design that will enable you to develop your academic and creative abilities towards your professional ambitions. In preparation for your arrival to the programme, please prepare the following items saved as PDF documents.

a/ A short written paragraph about your background, education and current skills base.

b/ An outline of your strengths, learning ambitions and career aspirations.

c/ An initial outline(s) of your project proposal, relevant to your specialism and that encompasses your creative interests. This should be a written paragraph supported by any relevant imagery.

Bring these with you (on a USB stick) for discussion and reflection in your first session.
