### **Additional requirements and responsibilities for immigration purposes**

Full details of all Your Responsibilities of studying on a Student Visa, and those of Northumbria can be found in our [Student Visa Responsibilities Guide](#) but we have summarised the key points below.

#### **Your Responsibilities:**

- You must ensure you obtain the appropriate immigration permission/ entry clearance that allows you to study.
- You must present at enrolment a valid passport and a Student visa (formally Tier 4) bearing Northumbria University's Sponsor Licence Number, or another type of visa which is recognised by the UKVI as valid for study. If you do not have a valid visa, you will not be allowed to enrol or continue with your studies.
- It is your responsibility to cover all costs associated with any visa applications.
- You must ensure that you have the appropriate valid visa throughout your studies.
- If you renew or change your visa at any time during your studies, we will require you to provide us with your new visa details. You should apply as early as possible in advance of the expiry date of your current visa if you are required to renew.
- It is your responsibility to comply with the terms of your visa and important that you do not breach any of the conditions attached to your permission to study here.

#### **University Immigration Responsibilities**

- As a Sponsor of Student Visas, the University has a duty to fulfil certain record keeping duties including keeping copies of your current passport and visas, recording your contact details, passing information on your admissions, enrolment, and attendance to UKVI.
- We also reserve the right to contact UKVI to seek information on your immigration history where necessary.
- The University is also required to monitor the attendance of all students and where attendance is deemed unsatisfactory, is obliged to report this to UKVI and other UK bodies. (By attendance we mean attending lectures, seminars, group work sessions, placements, compulsory field trips, meetings with supervisors and all other relevant course activities).
- If you do not comply with the conditions of your visa, for example if you do not enrol at the University by the last permitted enrolment date; if you withdraw; are withdrawn from your studies; interrupt your studies; are excluded for non-payment of fees; if you fail and are not permitted to repeat or if you do not attend your programme, the University will inform these bodies. It is your responsibility to ensure that you understand the implications for your visa in relation to any of the above. If you are uncertain about your status, for instance if

you cannot attend because of illness, then you must seek immediate advice from the Student Support and Wellbeing Service.

### **Student Visa applicants requiring a CAS (formally Tier 4):**

- You should allow enough time for your visa to be processed, as we cannot guarantee at peak times to issue CAS at short notice. Please refer to your offer letter for any specific deadlines for CAS and deposit
- When you receive your CAS, you should check that all the details in your CAS are correct before you apply for your visa, and you must inform the University if you believe any details are incorrect. The University cannot accept responsibility for entry clearance decisions arising from the information we have provided to UKVI regarding your CAS.
- You must ensure that you have held the correct amount of funds in your bank account when you apply for your visa in line with the [immigration maintenance rules](#), if you are applying for a Student Visa. Failure to do so could result in your visa being refused and jeopardise your chances of joining your programme
- Students who wish to defer their offer for entry to a later intake should do so before using their CAS (if one has been issued) and should request a new CAS for their deferred course. Any CAS which has been used after a student has decided to defer will be withdrawn if the visa has not yet been granted. In cases where the visa has already been issued, UKVI will be notified, and the visa will be curtailed. If your visa is curtailed, you will not be able to travel to the UK on the visa as it will no longer be valid.

Students who do not require a CAS

If you do not require a CAS, you will be required to provide evidence of alternative immigration permission allowing study before being allowed to enrol.

### **Pre sessional applicants requiring a CAS:**

If you are studying Pre sessional English at Northumbria, we may in some cases be able to offer you a Joint CAS to cover both your Pre sessional and Target degree programmes.

- You will normally be required to hold an Unconditional Offer for your target programme and have provided a SELT (Secure English Language Test) which demonstrates you hold a minimum of B2 in each component of the SELT
- In certain circumstances we may be able to offer you a joint CAS if you have one or two elements of your SELT at B1 level. In these cases, you must achieve B2 or above in all components of the Pre-Sessional Programme examinations. Failure to achieve B2 level in all components means that you will not be able to enrol onto your target programme and would be required to undertake further Pre sessional English at Northumbria or return home.

## **Finance**

**Tuition Fees:** Tuition fees for your programme(s) are stated in your offer letter.

**Payment terms for all programmes (except Pre-sessional English Programmes):** a minimum of £8,000 or 50% of the annual tuition fee (whichever is higher) is due on or before enrolment. Final Instalments are as follows:

- For entry to Semester 1 the remaining fees for your programme should be paid by 1 December.
- For entry to Semester 2 the remaining fees for your programme should be paid by 1 April.

**Payment terms for Pre-sessional English Programmes:** Tuition fees for these Programmes are payable in full for each semester on or before:

- the first day of teaching; or
- 14 days from the date of enrolment where enrolment is later than 14 days before the first day of teaching.

This payment is made in addition to the £5,500 deposit ([see below](#)) for your academic programme. These programmes are invoiced up front and no reduction is applicable in the event of pausing or ceasing a programme.

**Tuition Fee Refund Policy: (except Pre-sessional English Programmes):** If you withdraw between four weeks after the start date of your programme and the end of your first semester a minimum of 50% of your tuition fees for the academic year are payable by you. If you withdraw after the end of your first semester, the full fees for the academic year are due.

**Deposit:** International students are required to pay a non-refundable deposit of £5,500. The deposit allows students holding an unconditional offer and meeting all other requirements to secure their place and receive a CAS for visa purposes and is payable in advance of enrolment and visa application. The deposit should be paid as early as possible to allow enough time for your CAS to be issued prior to your visa application. If your deposit payment is not honoured by your bank after we have issued your CAS, the CAS will be cancelled or

withdrawn until such times as a new deposit payment is made and cleared. In this situation any further payments should be made by an alternative method to that which was used for the original payment.

**Deposit Exemptions:** You will not be required to pay a deposit if:

- You are receiving US or Canadian Federal Loans to cover payment for your tuition fees.
- Your tuition fees are paid by a Sponsor which is recognised by the University; or
- You are Norwegian and receiving Norwegian State Educational Funding.

**Deposit Refunds:** Once you have paid your £5,500 deposit it is **non-refundable and non-transferable** (outside of 14 days from acceptance) except if you are unable to join your course due to any of the following circumstances:

- in the unlikely event that your programme is cancelled; or
- you apply in good time for your visa, but it is granted too late for you to join your course\*; or
- if you apply for a UK visa with your Northumbria CAS and your visa application is refused\*\*; or
- if you do not meet the academic conditions of your offer; or
- If you have serious personal extenuating circumstances which prevent you from studying overseas\*\*\*

\* we would need proof of when your visa application was made and when it was granted.

\*\*we will require you to provide your notification of refusal. Please note we will not refund a deposit, or any additional fees paid in the case of visa refusals which were made based on fraudulent documents, incorrect information, or if you have breached immigration regulations.

\*\*\*refunds are at the University's discretion and will only be given where we are satisfied that there is evidence of serious personal extenuating circumstances.

**Circumstances where a deposit will not be refunded:** In all other circumstances, including but not limited to in the following situations, no refund of the £5,500 deposit will be made:

- If you do not apply for a visa to study at Northumbria University; or
- If you decide to study at another institution in the UK or in another country; or
- If you decide not to study overseas.
- If the payments made are fraudulent.

However, in the situations outlined above, you would receive a refund of any tuition fees you had paid in advance for the academic year which were in addition to the £5,500 deposit unless the payments were considered fraudulent.

**Paying your fees and Deposit:** If you wish to **pay by credit or debit card** please go to the University's Paying your Fees page <http://northumbria.ac.uk/sd/central/finance/epayments/>.

If you are unable to pay your fees by the due date, unfortunately you will be excluded from the University and the University will be obliged to report your non-attendance to UKVI. However, the University's aim is to allow students to undertake their studies without any unnecessary disruption. If you are concerned that you may have problems paying by the due date, please do not leave it until this date but contact the Ask4Help Team by e-mailing [ask4help@northumbria.ac.uk](mailto:ask4help@northumbria.ac.uk), as early as possible.

**Payments restrictions from countries with Economic Sanctions:** Due to economic sanctions the University has restrictions on receiving payments from the following countries:

- **Iran and North Korea** the University is unable to accept direct or indirect financial transactions into our university bank account any payments will be declined/returned.
- **Cuba, Venezuela, South Sudan, Syria, and Crimea** the University is unable to accept financial transactions into our university bank account from the above countries without prior notification to the University. If you are planning on making a direct/indirect payment from one of the above countries, it is essential you inform the University prior to making the payment to avoid them being declined or returned. We will contact you to let you know once the payment can be made, so you do not encounter any problems.

**Joining a later intake:** If you are unable to join the University in the expected intake but are accepted for a subsequent intake your deposit and any additional payment of tuition fees you have made for the academic year will be carried over to the relevant intake and credited against your tuition fees.

**Deferring your offer:** If you wish to defer your offer you should complete our [Request a Change form](#). If you defer your place your tuition fee may be subject to increase in the next academic year. If you defer, we cannot guarantee that any scholarships which may have previously been awarded are available in the next intake.

**Sponsored Students:** If you have arranged for your fees to be paid in whole or in part by a recognised governmental or commercial sponsor you must provide proof of the sponsorship on or before enrolment to the University's Finance Department. In the event of a sponsor defaulting on payment it is your responsibility to pay the fees. In such a case you would be advised in writing that the liability had passed to you. If your financial sponsor is not recognised by the University, they will be required to pay your deposit before the University will issue any CAS.

**Scholarships:** If you have been awarded a scholarship it will be indicated in your unconditional offer letter. If you withdraw part-way through the academic year your scholarship discount will be applied pro-rata to the amount of fees you owe. Please note as scholarships do not apply to sponsored students, students who secure sponsorship after an offer of a scholarship has been made, will no longer be eligible to receive it. If you defer your offer, scholarships may not be available in the next academic year and may be removed from your offer.

**Cancellations:** You may cancel your place on the course/programme within 14 days of acceptance of your offer. If you cancel within this time period, you will be entitled to a **full refund** of any payments already made. If you cancel outside of the 14 days any deposit payments made are final and **non-refundable** except in any of the circumstances listed above. To cancel your place on the course please complete the cancellation form at [www.northumbria.ac.uk/cancellation](http://www.northumbria.ac.uk/cancellation). **Please note:** this form is only to be completed if you wish to cancel your acceptance to a course *after* accepting and making payments, please do not complete if you are simply declining our offer.

**Requesting a Deposit or Fee Refund (outside of the 14 days from acceptance):** If you meet any of the conditions set out above which mean that your deposit is refundable and subject to the University's agreement, you will receive a full refund of the deposit amount and of any additional tuition fees you had paid in advance for the academic year. To request a refund, you would should complete our [Refund Request Form](#) in which you should provide details of why you are requesting a refund and attach the required documents/evidence to the University Office from which you received your offer.

To request a refund, you would need to provide details of why you are requesting a refund and attach the required documents/evidence to the Ask4Help Team by e-mailing [ask4help@northumbria.ac.uk](mailto:ask4help@northumbria.ac.uk).

## Insurance

**Insurance to cover loss of deposits, fees, medical costs and/or life insurance:** Even if you are entitled to free treatment from the National Health Service (NHS) whilst you are in the UK, it is your responsibility to take out insurance which covers all other medical-related costs as well as insurance to cover any loss of fees. An insurance policy may cover, for example:

- lost fees if you are unable to complete your course.
- costs of returning home if a relative is ill.
- costs of a relative visiting you in the UK if you fall ill.
- cost of private healthcare, if you decide not to wait for NHS treatment (sometimes waiting lists for NHS treatment can be long and may take several months or more).
- cost of returning to your home country for treatment.
- Or, in the worst possible situation, returning a body home for burial or cremation.

If you do not have your own insurance to cover costs such as these, then you or your family will be liable for covering such costs. Also, if you require any form of life insurance (a policy which pays out in the event of your death or, in some cases, critical illness), then it is also your responsibility to arrange this with an insurance provider. There is no medical insurance or life insurance automatically provided to students at Northumbria or included in your tuition fees. When choosing an insurance policy, please ensure that the insurance policy that you choose specifically covers international students living in the UK. If you have a partner or children living with you whilst you are in the UK, you may wish, and it is your responsibility, to ensure that these people are also covered by any medical or life insurance policy.
