

Architecture & Interior Architecture | Subject challenges

UG Year 1 Architecture

Set up your own 'architecture' Instagram account (separate to your personal account), to use during induction week and throughout the programme.

1. Provide a brief, professional, bio explaining who you are (e.g. name, architecture student at Northumbria university, and something about yourself).
2. Follow @nu_architecture.
3. Create your first post: post a photograph (that you have taken) of an interesting piece of architecture/landscape with an interesting fact/piece of information about that building / landscape in the caption.
