

Theatre and Performance (Summer 2021)

Subject challenge

- Go for a walk in your local city, town or village. Make a list of all the 'performances' you encounter (in doing this, think about what might constitute a performance or a theatre event).
- Write a list of the 'best' pieces of theatre you have seen with a sentence explaining why you've made that choice.
- Read some plays that you've never read before.
- If you were asked to introduce yourself in three words and a gesture, what would they be?
