

Mechanical and Construction Engineering Department

WELCOME CHALLENGE 2021

We are so excited for you to be part of our fantastic Engineering community at Northumbria University.
We cannot wait to meet you and start this journey with you!

Communication is a vital part of Engineering – it is not just about designing machines and building bridges.
We would like to kickstart your journey to becoming an excellent technical communicator in a really fun way.

You challenge, should you choose to accept it, is as follow:

Create a LinkedIn account. Kudos if you already have one!

Post, or repost, a technical article, news article or interesting engineering related video. Make a short comment on the post.

Your post can also be a statement of how excited you are to join Northumbria University as an Engineering Student with a fun image representing your field of engineering.

Add the following four hashtags to your post:

#IAmNorthumbria

#TakeOnTomorrow

#NUEngineeringIsLush

#NUEngineeringInductionChallenge

Don't forget to tag the induction coordinator
(she will make a charming comment on your post and add a like):
@Madeleine L Combrinck

How to set up a LinkedIn Profile:

<https://uk.linkedin.com/>

<https://collegeinfo geek.com/linkedin-summary-examples-for-students/>

How to connect to Madeleine L Combrinck:

<https://www.linkedin.com/in/madeleine-l-combrinck-a5248316/>

There will be a special session during the induction fortnight to assist you with this challenge.

This challenge is to be completed by 08 October 2021.

The winner of the challenge will be announced on 15 October 2021.
