

Northumbria Law School Subject Challenge 2023

<https://vimeo.com/723285145/2ac62ed216>

Watch this interview with Michael Cook-from law student to owning my own law firm. Now search for details regarding his Law Firm on the internet. Make a note of the diverse areas of law his firm covers. Consider where you see yourself in 3, 5 and 10 years time in terms of career. Bullet point your aspirations and keep a record of them so you can review your aims each year to see how they develop and change as the course progresses.
