

Welcome Challenge 2023

Hello and welcome to Northumbria University's Nursing, Midwifery and Health (NMH) department based at Coach Lane Campus.

We are so happy to have you joining our NMH academic programmes in September 2023 and look forward to supporting your learning.

To begin with, please follow all of our Instagram and twitter accounts.

In memory of the fantastic and innovative Dr Kate Granger, we would like you to create a welcome message to introduce yourself to your new peers. This can be 125 – 2,200 characters.

Please tell us your name, the programme you are joining i.e. BSc (Hons) Nursing Science - Child (Sept 2023) and x3 interesting facts about you!

Please upload these to Instagram before the 08/10/23 and use the hashtags:
