IT SUPPORT

As soon as you have enrolled you will have access to Northumbria's digital platforms and resources. Your Student Portal is your go-to landing page, from here you will find current and important news stories, help and support, your teaching timetable (when released) and access to the University Library and our virtual learning environment – Blackboard.

Your online induction activities will, in the main, use your Blackboard programme site live collaborate room. [Click here to find helpful information on how to access and navigate Blackboard](#).

And don't forget, IT support is available to you 24 hours a day, 7 days a week. Email us at servicedesk@northumbria.ac.uk, give us a call on +44 (0)191 227 4242 or we're here for an online chat at northumbria.ac.uk/itchat

If you want to come and see us, then you can book an appointment for the IT Place. We can help you connect to Northumbria WiFi, understand your account, use Blackboard, stay safe online, and much more. Click [here](#) for more information.

I AM NORTHUMBRIA - WELCOME

As soon as you have enrolled you will have access to your Programme site on Blackboard, our virtual learning environment. Look out for the sections headed '**I AM NORTHUMBRIA**' as these will help you to hit the ground running. You will find out more about what to look forward to and how to make the most of the opportunities on offer to you while you are at Northumbria. You will learn what it means to be successful including looking after your health and wellbeing and celebrating Northumbria's diverse community. You will develop essential learning skills required for studying at University and how to live and learn in a digital world and more about the help and support available to you. You will be welcomed by your Faculty and Programme, learn about how your induction will work and be able to access your Programme handbook via this site.
