

## Arts Programmes for 2019/20

For all students applying for specific Arts Programme exchanges at Northumbria please note that applications will be assessed for suitability prior to confirmation of the modules for study.

Successful applicants will be advised of the particular modules available to them within a specific programme structure once an offer is made.

### **Performing Arts Requirements**

Performing Arts modules **are only available** to students from specific Traineeship Erasmus+ European partners where we have an existing 'Performing Arts' partner agreement.

**The modules are not available to general Exchange or Study Abroad students.**

Once nominated, as a student from a specific Traineeship Erasmus+ European partner, you will be asked to complete an application form whereupon you will be assigned dedicated Performing Arts modules confirmed by the Performing Arts member of staff at Northumbria University Newcastle.

### **BA Animation Requirements**

Due to the programme structure it is not possible to study on the year-long BA Animation programme unless you are a year-long student.

### **Fine Arts Requirements**

Due to the programme structure, we are unable to accept any Fine Art applications.
