

## Semester One Graphic Design Modules for 2020/21

### Year 2 SEMESTER 1

#### **GD5012 Differentiation what makes you, you?**

This level 5 module introduces you to the professional working environment and how to place yourself and promote yourself within it.

**20 UK credits (10 ECTS)**

#### **GD5013 Implication: can Graphic Design save lives?**

This level 5 module will enable you to focus on the positive social and cultural impacts of Graphic Design practice. The design solutions that practitioners create can help change lives, human behaviours, and culture within societies.

**40 UK credits (20 ECTS)**
