# How to view your grades & feedback in Blackboard Ultra

This guide will demonstrate how to access your grades within Blackboard Ultra.

Please use the Google Chrome browser for viewing feedback on Blackboard.
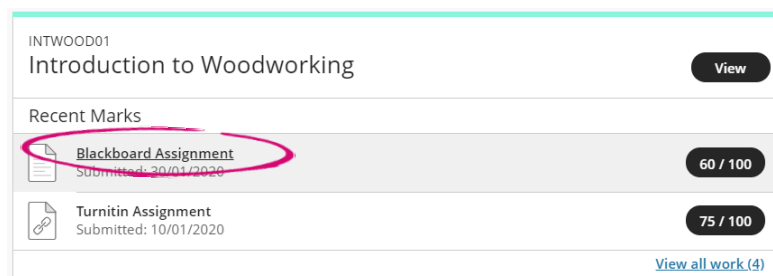

Accessing the Gradebook (Overall)

To begin to access your grades for your modules at Northumbria University, open Blackboard by navigating to https://elp.northumbria.ac.uk (using the Chrome browser) – you might be prompted to login with your university username and password.
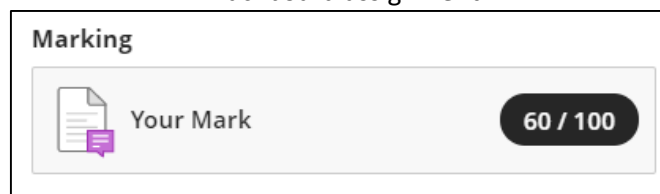

**1** From the left-hand navigation on the landing page, click **Gradebook.**
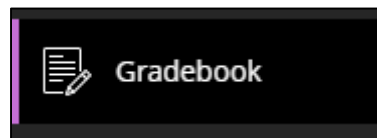

2 This will load up your modules on the right to begin reviewing your grades. This will give you an overview of all of your modules, including recently marked components.

If feedback is available, click on the piece of assessment to view your grades and feedback, then click on **Your Mark** for a **Blackboard** assignment & **Launch** for a **Turnitin** assignment.
