MA Creative Writing

Portfolio Guidelines

Your portfolio should provide clear examples of recently drafted creative writing.

Content

Your portfolio should include examples of creative prose, poetry or script; or of a combination of these.

You should include enough creative work to offer a good demonstration of your writing.

Please submit work in 12pt font.

Creative prose should be double-spaced.

Script should be correctly formatted.

Prose examples should be not more than 2000 words each. If the work is from a longer piece, please include the 1st 2000 words.

Poetry examples should be up to 80 lines.

Script examples should be up to 12 pages.

Please include the approximate date / dates of writing for each piece.
