

Social Work, Education & Community Wellbeing modules for 2022/2023

Social Work, Education & Community Wellbeing exchange opportunities **are only available** to students from partners where we have an existing 'Social Work, Education & Community Wellbeing' partner agreement.

The exchange study is only available for Semester One (September to January students) and a bespoke timetable will be created for accepted students near to their start date.

The modules are **not available to general Exchange or Study Abroad students.**
