

Northumbria University International Training Week 2024 Study Abroad Fair

The Study Abroad Fair will take place from 2pm to 5pm on 22nd October in the Student Skills Centre based in the library building at Northumbria City Campus.

We do not have storage space available to store any items before the fair, so we ask that you bring any marketing materials with you. You will be given one desk to display materials and a small area for a single 'pop-up' banner. We are not permitted to stick any items to walls.

We have access to the room from 8am if you would like to leave any items before the Training Week sessions start at 9am. A member of the International Mobility Team will stay in the room with any items until the fair begins but would ask that you do not leave anything valuable.

We predict the fair will be busy, in 2023 we had 180 students attend.

Northumbria is a research-intensive, business-focused, professional university with a global reputation for academic excellence. It is based in the heart of Newcastle upon Tyne, which is regularly voted the best place in the UK for students. The University has its origins in the Rutherford College, founded in 1880. Today, by putting students at the heart of an outstanding experience, and with world leading research and award-winning partnerships, Northumbria is a new kind of excellent university.
