

Physical Geography and Environmental Science					
Code	Module Name	Semester/Yearlong	Special Requirements	Credits	Subject
<b>Level 5</b>					
<a href="#">KE5014</a>	Fundamentals of Ecology	Semester 1	Some level 4 physical geography/environmental science	20	Physical Geography/Environmental science
<a href="#">KE5030</a>	Ecosystem processes in the Anthropocene	Semester 1	Some level 4 physical geography/environmental science	20	Physical Geography/Environmental science
<a href="#">KE5033</a>	Environmental Cycles: Air, Water, Soil	Semester 1	Some level 4 physical geography/environmental science	20	Physical Geography/Environmental science
<a href="#">KE5029</a>	Green cities and nature-based solutions	Semester 1	Some level 4 physical geography/environmental science	20	Physical Geography/Environmental science
<a href="#">KE5002</a>	Cold and Palaeo Environments	Semester 1	Some level 4 physical geography/environmental science	20	Physical Geography/Environmental science
<a href="#">KE5003</a>	Meteorology and Oceanography	Semester 1	Some level 4 physical geography/environmental science	20	Physical Geography/Environmental science
<a href="#">KE5021</a>	Applied Geosciences	Semester 1	Some level 4 physical geography/environmental science	20	Physical Geography/Environmental science
<a href="#">KE5031</a>	Biodiversity and Climate Change	Semester 2	N/A	20	Physical Geography/Environmental science
<a href="#">KE5017</a>	Earth Observation and GIS	Semester 2	Some knowledge of GIS is advantageous	20	Physical Geography/Environmental science
<a href="#">KE5028</a>	Coastal Monitoring and Management	Semester 2	Some physical geography background preferred	20	Physical Geography/Environmental science
<a href="#">KE5016</a>	Environment, development and sustainability	Semester 2	N/A	20	Physical Geography/Environmental science

## Physical Geography and Environmental Science

### Level 6

<a href="#"><u>KE6002</u></a>	Modelling, Computation and Data Manipulation	Semester 1	N/A	20	Physical Geography/ Environmental science
<a href="#"><u>KE6018</u></a>	Advanced Geospatial Applications	Semester 1	KE5017 or equivalent knowledge of GIS systems	20	Physical Geography/ Environmental science
<a href="#"><u>KE6032</u></a>	Tropical and Coastal Research	Semester 1	Some environmental science/physical geography at level 4 or 5 preferred	20	Physical Geography/ Environmental science
<a href="#"><u>KE6033</u></a>	Translating Environmental Science into policy, outreach and decision making	Semester 1	Some environmental science/physical geography at level 4 or 5 preferred	20	Physical Geography/ Environmental science
<a href="#"><u>KE6001</u></a>	Cold Landscapes	Semester 2	Some physical geography background preferred	20	Physical Geography/ Environmental science
<a href="#"><u>KE6003</u></a>	Palaeoecology and Biogeography	Semester 2	Prerequisite KE5002 Cold and Palaeoenvironments or equivalent	20	Physical Geography/ Environmental science
<a href="#"><u>KE6019</u></a>	Public Health and Occupational Safety	Semester 2	N/A	20	Physical Geography/ Environmental science
<a href="#"><u>KE6031</u></a>	Environmental Pollution and health	Semester 2	N/A	20	Physical Geography/ Environmental science
<a href="#"><u>KE6023</u></a>	Applied Ecology and Conservation management	Semester 2	Prerequisite KE5014 Fundamentals of Ecology or equivalent	20	Physical Geography/ Environmental science

## Human Geography

### Level 5

<a href="#"><u>KE5007</u></a>	Social Geographies	Semester 1	Some human geography at level 4	20	Human Geography
<a href="#"><u>KE5008</u></a>	Economic Geographies	Semester 1	Some human geography at level 4	20	Human Geography
<a href="#"><u>KE5006</u></a>	Political Geographies	Semester 1	Some human geography at level 4	20	Human Geography

**Level 6**

<a href="#"><u>KE6034</u></a>	Encountering Urban Worlds	Semester 1	Some human geography at level 4 or 5 preferred Includes self-funded field trip to Amsterdam estimated cost £250	20	Human Geography
<a href="#"><u>KE6035</u></a>	Global Capitalism: Digital and Sustainable Transformations	Semester 1	Some human geography at level 4 or 5 preferred	20	Human Geography
<a href="#"><u>KE6017</u></a>	Disasters and Development	Semester 1	Some human geography at level 4 or 5 preferred	20	Human Geography
<a href="#"><u>KE6007</u></a>	Geographies of 'race', ethnicity and multicultural	Semester 2	Some human geography at level 4 or 5 preferred	20	Human Geography
<a href="#"><u>KE6025</u></a>	Historical geographies	Semester 2	Some human geography at level 4 or 5 preferred	20	Human Geography
<a href="#"><u>KE6026</u></a>	Housing space and society	Semester 2	Some human geography at level 4 or 5 preferred	20	Human Geography
