Architecture MArch

PORTFOLIO AND PERSONAL STATEMENT GUIDANCE

Portfolio Requirements

Show your design process and investigatory making & drawing.

In addition to this, make sure you show your:

- Final year undergraduate work including conceptual development, hand drawings, and physical sketch models
- Professional practice experience
- Your broader interests and related pursuits, e.g. Sketchbooks, volunteering, travel, etc.
- Any personal projects undertaken since graduating, e.g. Competitions, commissions, collaborations and summer schools

Personal Statement

Critical Reflections* on your

- Experience as a student and in practice
- Personal development, e.g. What do you want to achieve during your MArch part 2?
- Future aspiration with longer-term goals, e.g. what do you see yourself doing in 10 years time?

*We will ask you to reflect on and develop this into a unique and personalised **'Statement of academic intent'** during the first semester to help inform and share your MArch assignment choices.
